

Price Increase and Tariff Surcharge

To: AGC Customers

From: Penny Vander Velden, Vice President Sales & Marketing

Date: March 14, 2025

Subject: Price Increase and Tariff Surcharge on Specific AGC Goods

Dear AGC Customer,

We are writing to inform you that we are increasing prices on our services and frames. This is due to the increased costs related to travel, labor, and raw materials. Services will increase around 5% and frames will experience a 2% increase.

We are also directly affected by the tariffs related to steel that take effect April 15, 2025. To address this situation, we are adding a tariff surcharge line item to all quotations affected by the tariff. The tariff surcharge will be added to frames and plates and will be removed when the tariffs are lifted.

Both the price increase and tariff surcharge will go into effect April 15, 2025. All quotations have 30 day validity and will be honored.

We appreciate your business and thank you for your continued support!
