Dear Channel Partner,

Please be advised that effective immediately, **hygienic fluid handling** and **sanitary heat transfer** product list prices will increase as described in the table below. The increase is due to the latest round of tariffs that are impacting the global supply chain. We will do our best to mitigate this impact and continue to monitor the situation and provide any relevant updates.

<i>List Price Increase</i>	
<b>Hygienic Fluid Handling</b>	
Installation Materials	+25%
Butterfly Valves	+15%
Check Valves	+8%
All other Valves (MPV, Single Seat etc.)	+8%
DuraCirc pumps	+2%
All other pumps	+5%
Gamajet Tank Cleaning	+5%
Toftejorg and all other Tank Equipment	+5%
HFH Spare Parts	+10%
<b>Food Heat Transfer</b>	
GPHE New Equipment SS Plates	+6%
GPHE New Equipment Ti and Exotic Alloy Plates <sup>7</sup>	+8%
Brazed Heat Exchangers	+7%
Sanitary plates SS	+8%
Sanitary plate gaskets	+10%

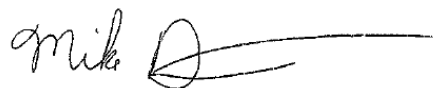

Pricing will be updated in Anytime to reflect this change and excel pricing files will be posted on the e-business website.

Please contact your Customer Service Representative or Account Manager if you have questions or require additional information.

Sincerely,  
Alfa Laval Inc.,
